JAW-DROPPING HOME CINEMA

Audio, Video, Lighting & Much More

Dedicated Home Theater

Design a jaw-dropping home cinema that rivals any cineplex by incorporating immersive high-resolution audio, high-definition video, best-in-class surround sound, an enormous smart TV or projection screen, and customized lighting to complete the experience.

- **Watch video from multiple sources**, including media players, hard drives and portable devices—or browse through them all simultaneously.
- **Hide all of your equipment in a closet** and control everything with a single, easy-to-use remote or elegant touch screen.
- **Enjoy smart lighting throughout the room** that dims when you press “play” and ramps back up when you press “pause.”
- **Incorporate special lighting features**, like pathway lights and starry-night ceilings.
- **Control your whole home** from the theater, including adjusting the room temperature or seeing who is at the front door, without leaving your seat.

Control the entire home cinema experience, including lights and shades, with the powerful SR-260 remote.

Browse your movie collection and personalize your theater experience on an elegant tabletop touch screen or in big, bold display on your TV.

1 ROOM 2 ROOMS EVERY ROOM

Music at Your Fingertips

Immersive Multi-Room Audio

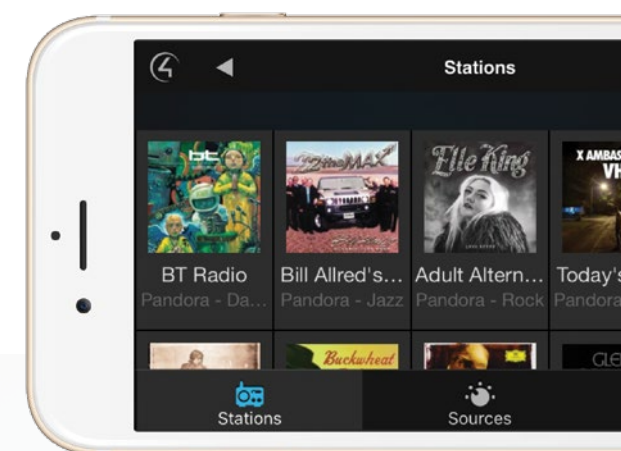

Change the way you listen to music—forever. Fill your entire home with music or listen to a specific playlist in just one room. You'll appreciate the flexibility to enjoy high-resolution music, *your* way.

With Control4, your interaction with music is visually stunning. Album cover art is boldly showcased and it's easy to locate your favorite artists and track information on your smartphone, touch screen or TV.

- Enjoy access to millions of songs and thousands of artists through popular streaming services—such as Pandora, TIDAL, Deezer, Rhapsodey, TuneIn, and iTunes—without need for extra gear.
- Play classical in the den, jazz in the kitchen and rock in your kids' room, all at the same time.
- Send music from virtually any source, including your smartphone or tablet, to any room in your house. You can even allow your guests to stream their own music collection from their portable devices.
- Manage the volume, start or stop music and even control your lights with a single tap.

Press a button to access your favorite content with just one touch.

Control4 can be set up to stream over 40 music services throughout your home.

VIDEO IN EVERY ROOM

Simple, Clean & Clutter-Free

Touch Screens are an elegant way to browse your movie library and make it easy to start video from any room.

Simplified Multi-Room Video

Distribute video throughout the house so that you can enjoy beautiful, 4K high-definition content in every room without adding clunky gear and wiring behind each TV.

With multi-room video, everyone can enjoy the same movie or watch what they want, wherever they want.

Share your entire movie library, streaming video and satellite channels throughout the home—no need for set-top boxes and multiple video sources in every room. Consolidate all of your audio and video equipment into a closet, creating a clutter-free installation, while delivering superior sound, stunning 4K high-definition video and an incredible experience in every room.

- **Browse your movie library and video streaming services** like Netflix, Hulu and Amazon Fire from any TV, touch screen or mobile device—anywhere in the house.
- **Watch sports in the den, the news in the kitchen and kids movies in the family room.** Each room has access to every video source and an intuitive, on-screen interface makes it easy to select the right one.
- **Instantly share new content as your library expands** or you add video sources throughout the home.

PRODUCTS

From elegant one-touch lighting to sleek touch screens, Control4 products create intuitive automation solutions for your smart home.

The *new normal* starts here.

Interfaces

Your Control4 Smart Home will most likely rely on a variety of interfaces, each one designed for simple and easy access to the features you use most. It may be as simple as a remote control for your audio/video experience, a touch screen to browse your movies and music, a keypad that replaces many different light switches, or your mobile device or tablet while you're in the back yard or away from your home.

Platform

You can consider the Control4 controllers the brain, or even the operating system, of your smart home. They manage your entire home automation system in the background, allowing the devices in your home to work together—from lighting and security to music and video, and pretty much anything else in between.

4Sight™ with Anywhere Access

4Sight provides secure mobile access to your home while you're away. 4Sight lets you monitor your cameras, lock the doors, adjust the temperature, close the garage door, and even turn on lights to welcome you home. Available on Android and iOS smartphones and tablets.

Control4 products aren't
just smart, they're brilliant.

Entertainment

Control4 amplifiers, 4K audio and video matrix switches and system remotes deliver exceptional entertainment experiences in your home. We integrate with leading brands such as Sonos, Apple TV, Roku and so much more, ensuring your automation system works with the products you already have and love.

Smart Lighting

Whether for a new home or upgrading an existing home, Control4 lighting dimmers and switches are elegant and energy efficient, and with a variety of colors and finishes, they complement the decor of any home.

Comfort and Convenience

The Control4 Wireless Thermostat consistently delivers the right level of comfort in your home, and your Control4 Dealer can integrate shades, pool and spa control, and fireplace switches to bring a new level of comfort to your smart home.

Door Stations keep you connected with guests at the front door or entry gate.

Safety and Security

By integrating with the leading brands in security cameras NVRs, smart locks and sensors, you can monitor your house 24x7 and be notified immediately if a door opens, the water heater leaks or if you left the garage door open.
