## CHOOSE A SMART LIFE!

### Who We Are?

RNS International LLC started its operations in 2017, offering smart home services such as design, supervision, and professional implementation of smart systems in the Sultanate of Oman with a highly skilled and experienced team.

We are a golden representative of top global brands in smart systems, including **Control4 (USA), MDT (Germany), Tense (Belgium), Apex (Spain)**, and many other leading brands worldwide.

Over the years, we have successfully completed more than **300 smart home projects**, with many more currently in progress. All of these projects have been executed with the highest global standards and exceptional customer satisfaction.

# HOW WE WORK

- 01 Proposal, Negotiation, Contract:** Initiate project with detailed proposal, negotiate terms, and finalize contract agreement with client.
- 02 Site Visit and Supervising:** Conduct site visits to assess project feasibility and progress, ensuring adherence to design specifications.
- 03 Design and Confirmation:** Develop customized smart home design based on client requirements and obtain client's approval.
- 04 Installation and Handover:** Execute installation of smart home systems and components, conducting thorough testing before project handover to client.

## Why Choose Us ?

- Product Quality:** We use European and American products that meet the highest quality and safety standards and come with internationally recognized certifications.
- Expert Team:** Our installation team consists of highly qualified and dedicated professionals with relevant educational backgrounds, ensuring the highest quality of smart home solutions.
- Warranty and Support:** Our products come with a **5-year replacement warranty**, and our after-sales service is provided by our experienced team, both in person and online.
- Commitment to Customer Satisfaction:** Every project is designed specifically to meet each needs of our customers, with a focus on delivering optimized and personalized solutions.
